

Parental Partnership

Working together to gain a bigger picture

Why we need YOU...

- You are your child's first educator
- Learning happens at home
- To gain a holistic view of your child and work together
- To celebrate the WOW moments

We believe these strong partnerships can positively support your child's care and education.

VOICE

YOUR

MATTERS!

Today we will be focussing on personal, social and emotional development, physical development and understanding the world as starting points on how you can contribute to your child's profile.

personal, social and emotional development

- **What is personal, social and emotional development?**

Sharing, turn taking, being caring or kind, thinking of other people, behaving differently to suit a situation, managing disappointment or delays.

Rowan played football on Saturday with his friends. He took it in turns to kick the ball to his team. They then practiced scoring a goal in the net. His friend got very upset as he didn't get a turn. "Stand here... it's fair!" Rowan said as he got his friends to line up and take it in turns.

We are very proud at how kind Rowan was when his friend was upset!

Physical development

- **What is physical development?**

Getting changed independently, remembering to wash our own hands, eating healthy foods riding two wheel bikes and doing something fiddly like aqua beads.

wow! Martha dressed herself this morning ready for her friends party. "I do it!" Martha shouted as she kept trying to do her buttons on her own.

Understanding the world

- **What is understanding the world?**

knowing similarities and differences in the world around them, knowing about different technologies, how to use them and what they can be used for.

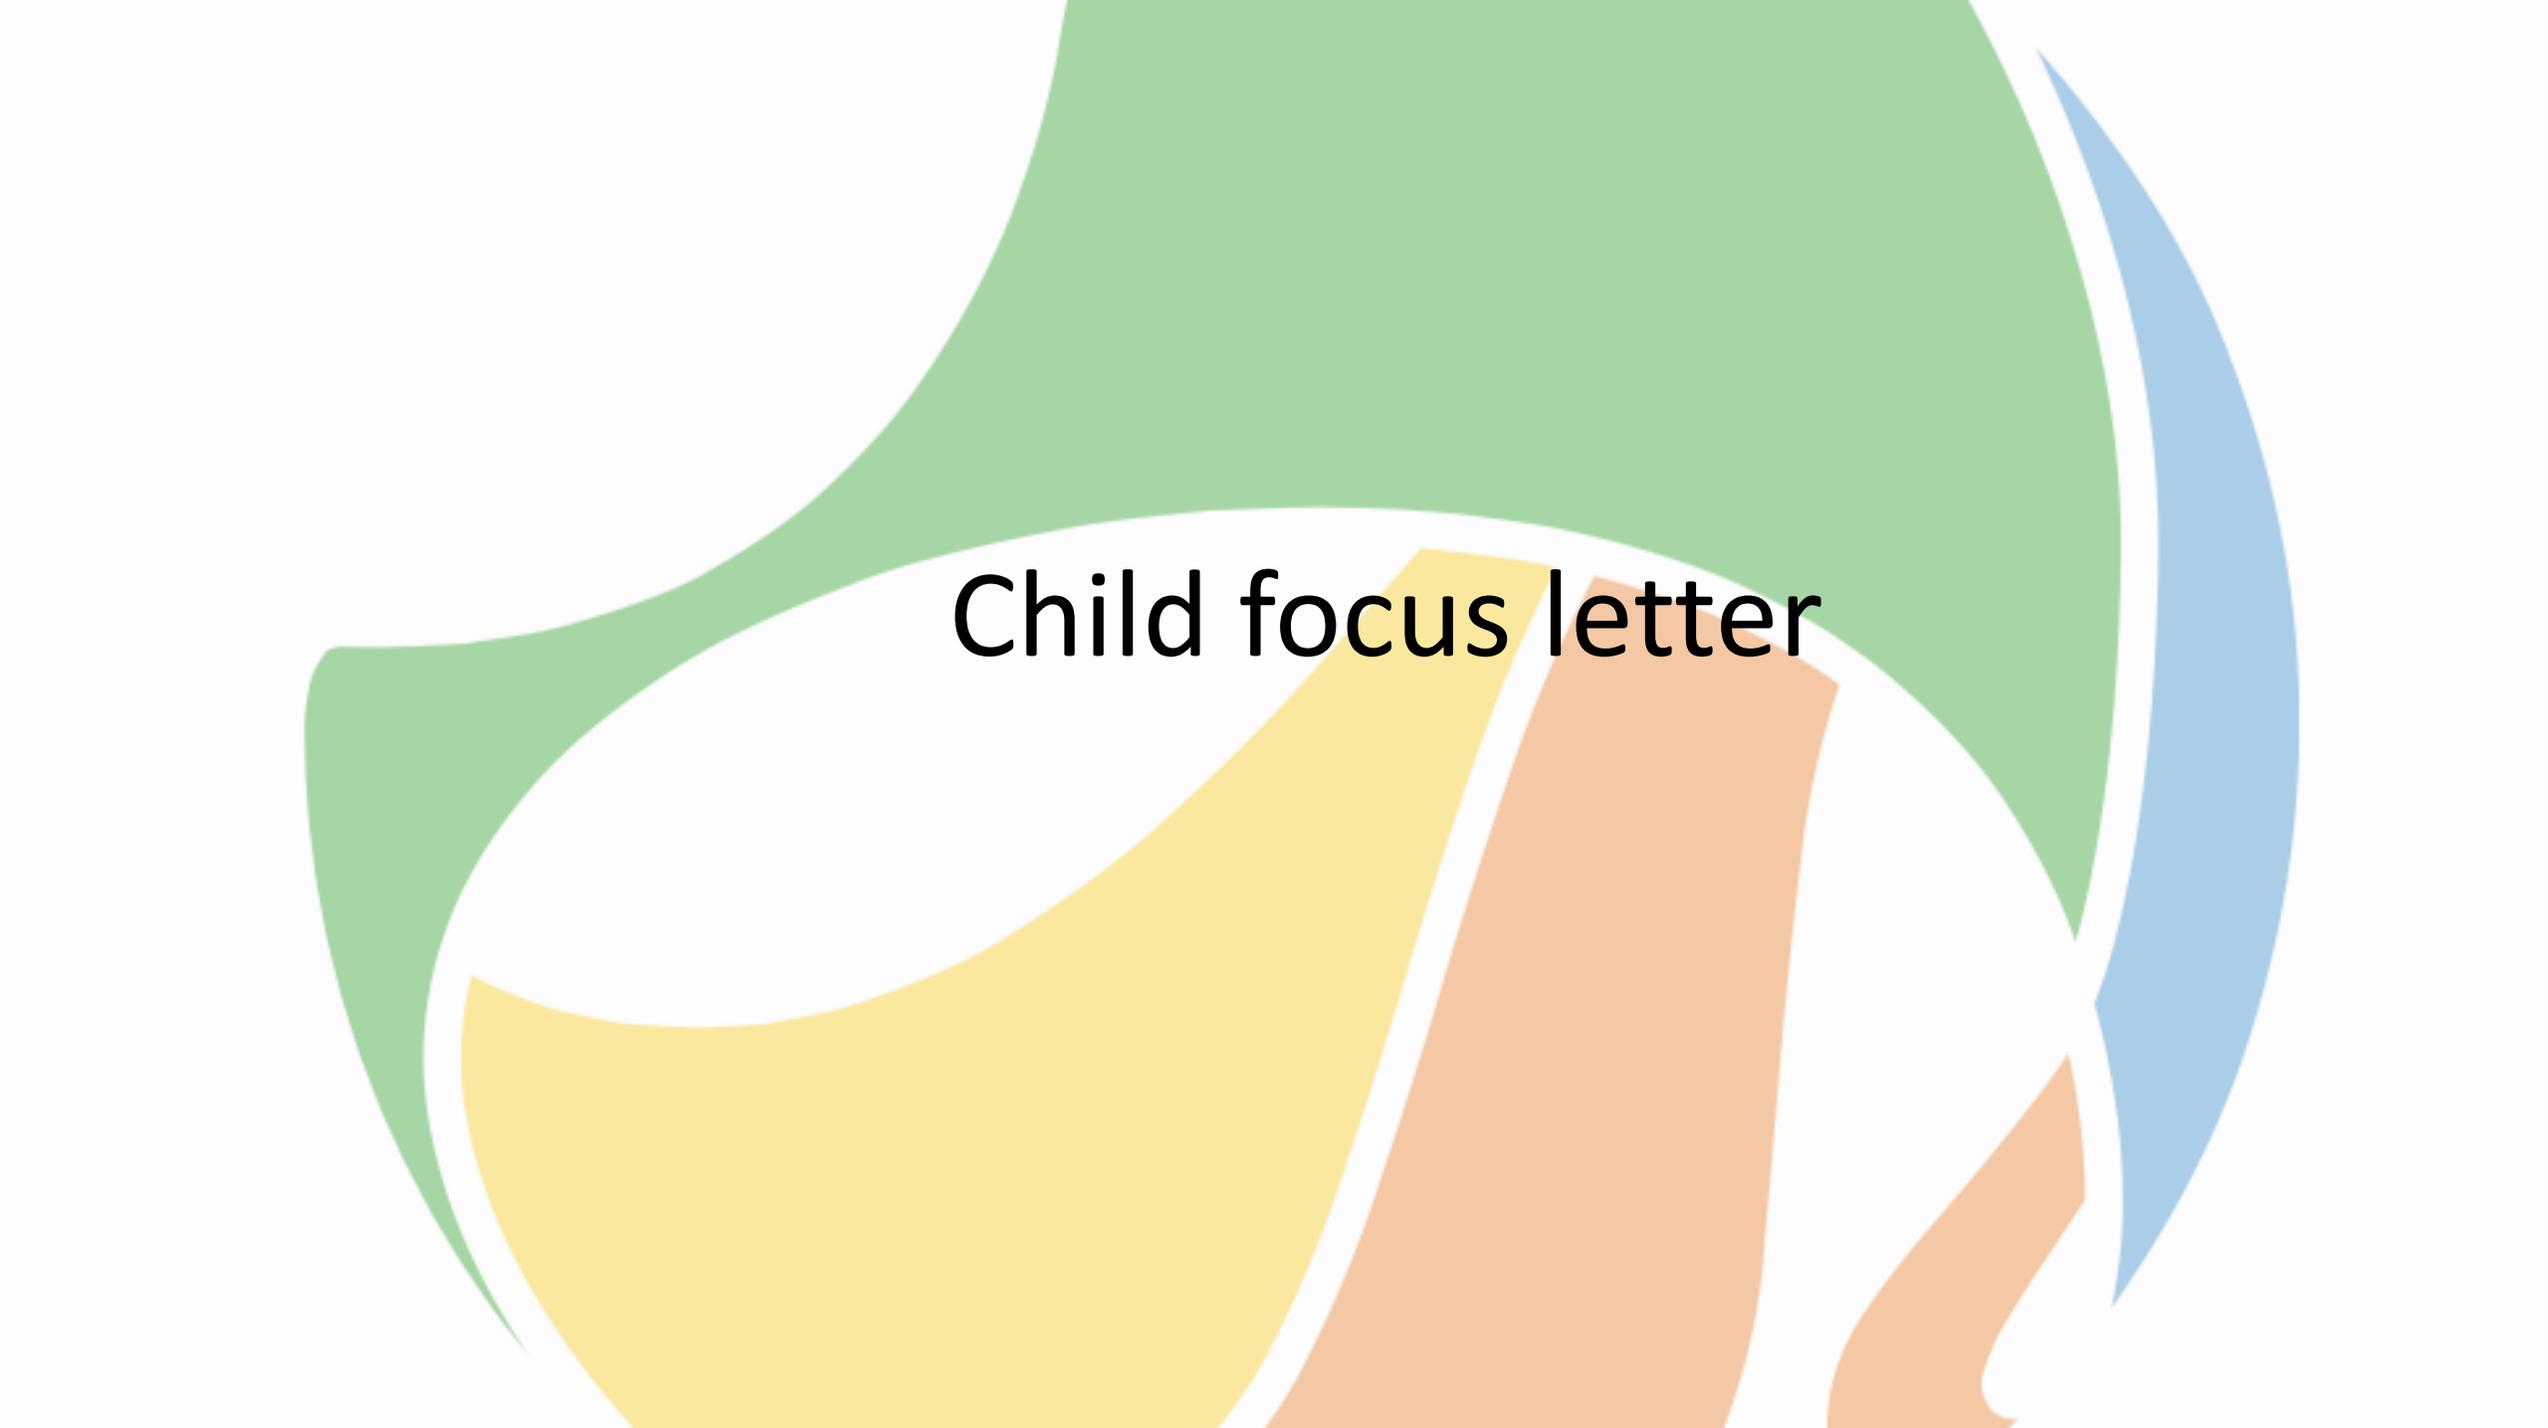

Lucy was very excited to face time her uncle Jim. She is always asking to talk to him on face time! Lucy knows how to call him without any help but she knows she can't do it without asking me first.

Useful tips

- Write what you see.
- Include your child's speech – just as they say it, no need to correct tenses.
- Celebrate ALL achievements.
- Capture experiences that don't lend themselves to producing physical evidence.

Focus children

- Beginning after the half term holidays
- Each week we will focus on 4 children. Your child will be a focus child approximately twice a year.
- You will be notified on the Friday before your child is due to be the focus child.
- We will ask you to complete an information sheet.
- **PLEASE BRING THIS BACK TO SCHOOL ON MONDAY MORNING.**

An abstract graphic design featuring several overlapping, curved shapes in shades of green, yellow, orange, and blue. The shapes are layered, with the green shape at the top, yellow and orange shapes below it, and a blue shape on the right side. The text "Child focus letter" is centered over the white space between the shapes.
