## **Vision Statement**

*Our vision is that every child should have the opportunity to develop the physical confidence and competence to enjoy being physically active. This should allow our children to develop their physical literacy and give them the choice to decide which activities they would like to continue participating in throughout their lives. We hope this will lead to a life-long passion of being physically active. We also strive to give as many children as possible the opportunity to participate in a variety of competitive sports during their school life, giving them the prospect of understanding what competition feels like, what it is like to be part of a team and to experience both winning and losing – playing sports with fairness and respect.*

## Self-evaluation: review and reflection

An evaluation of previous spend, current needs and priorities for the future

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>Participation in level 2 competitions exceeded the 40% target, with 100% of Key Stage 2 children taking part in cross country, skipping, football or triathlon competitions. This is a 61% increase from last year.</p> <p>Competition Participation</p> <p>2013-14 0%</p> <p>2014-15 8%</p> <p>2015-16 39%</p> <p><b>2016-17 100%</b></p> <p>All children had the opportunity to take part in level 1 competition within school during PE lessons and the whole school sports day.</p> <p>Staff have received professional development support through observing professional coaches coming in to school to teach lessons and teaching alongside (team teaching some PE lessons). Student sport coaches have completed placements, bringing fresh ideas and approaches. Staff have also attending professional development courses and meetings relating to PE.</p> <p>This is reflected in the increased staff rating of confidence in PE which is clearly shown in confidence survey results. 100% of staff now report feeling 'confident' or 'very confident' teaching PE.</p> <p>Support has been given via the Active Schools membership and the EPOS cluster SSCO. Children have reported positively regarding competitions, whole school events (such as skipping school) and participation festivals. Testimonials can be seen on the website.</p> <p>The above contributed in St James' CE Primary School being awarded the Silver School Games Mark Award.</p>	<p>Maintain 100% participation in level 2 competitions for Key Stage 2 children.</p> <p>Embed 30 active minutes in school day.</p> <p>Maintain staff confidence with specialist sport coaching support and PE specialists teaching across Key Stage 1 and Key Stage 2 classes.</p> <p>Residential subsidies for Year 4 and Year 6 outdoor and adventurous activities.</p>

Meeting national curriculum requirements for swimming and water safety <i>What percentage of Year 6 pupils could...</i>	
...swim competently, confidently and proficiently over a distance of at least 25 metres when they left our primary school at the end of the last academic year?	40%
...use a range of strokes effectively (for example, front crawl, backstroke and breaststroke) when they left our primary school at the end of last academic year?	40%
...perform safe self-rescue in different water-based situations when they left our primary school at the end of last academic year?	40%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements.	We are planning to provide extra swimming sessions for Year 3 children.
