

## Fronted Adverbials – further ideas

<b>How?</b> Feeling terrified, With my heart pounding, With deadly accuracy, With hungry eyes, Stealthily, Like lightning, In the blink of an eye,	<b>Where?</b> On the ice, Beneath the waves, Through the snow, Into the darkness, Over the ground, Above my head, Outside,
<b>When?</b> At dawn, During the winter, Before I knew what was happening, In the dead of night, While I was playing, After waking, As I watched,	<b>Why?</b> Because I had given up hope, So that it could not find me, As I was lost, Since there was nowhere else to go, Because I was too tired, So I would not be seen, As I was smaller,

You can use some of these adverbials at the start of your sentences (fronted adverbials).
