

Monday 8th June – Reading

IMPORTANT – Read this section before watching the clip.

Today, we're going to be watching a short animation called, 'The Small Shoemaker' (<https://www.youtube.com/watch?v=DvgRn8STjmQ>). Along the way, we'd like you to **pause at different points** to make predictions. As there are no spoken words in the video, you'll need to explain your predictions using the other clues such as body language and facial expressions. When you have completed the seven sentences, watch the video all the way through. We hope you love it as much as we do.
