

## Special educational needs and disabilities (SEND): Information report

**Date:** October 2023

**Next review:** annually, unless any changes are required prior to this

**Note:** this policy should be read alongside the SEND Policy; see also the Equality Policy and Accessibility Plan

All SEND provision is overseen and managed by the Inclusion Leaders (SENDCo): Karen Hague **Scholes (Elmet) Primary** and St James' CE Primary and Clare Weekes **Moortown Primary**.

Assistant SENDCos support in each school: Natalie Lake **Scholes (Elmet) Primary**, Jackie Freeman **St James' CE Primary** and Dani Birch **Moortown Primary**.

If you have any concerns about your child's educational needs please contact Karen Hague (0113 264 9149) or Clare Weekes (0113 268 5915) or email SEND@spherefederation.org.

### Identifying special educational needs and disabilities

We believe that early identification of special educational needs and disabilities is crucial to the wellbeing of all of our children. To support us in our early identification, and under normal circumstances, we:

1. Carry out home visits for Nursery (**Scholes (Elmet) Primary** and **St James' CE Primary**) and/or Reception pupils
2. Attend reviews for all pupils with SEND transferring to us
3. Assess each pupil's current skills and levels of attainment on entry, building on information from previous settings and key stages where appropriate.
4. Make regular assessments of progress for all pupils - identifying pupils making less than expected progress given their age and individual circumstances.
5. Provide the appropriate intervention eg small group support provided by a teaching assistant (TA) for all pupils as appropriate
6. Meet with parents/carers to discuss strengths and areas of need.

- Regularly involve the child in discussions about their learning, progress and difficulties; children often articulate their difficulties really well and can also say what steps are appropriate to help them.

## Assessing and reviewing pupils' progress towards outcomes

Assessment of pupils continues throughout their time at school. We do this by:

- Analysing assessment data no less than termly to identify children who are not meeting age-related expectations
- Class teachers continually monitoring the children in their learning through observations, discussions, marking and written feedback
- Providing all adults with the opportunity to discuss concerns at any time
- Liaising with parents

The engagement model will be used for children who are working below the National Curriculum standard and who are not engaged in subject-specific study. Pre-Key Stage standards will be used for children engaged in subject specific study but working below the standard of the National Curriculum.

The Learning Support Plan should be reviewed half termly alongside any IEP. Any updates should be colour coded.

Some children on the SEND register have an Individual Learning Support Plan. This gives details about the child and how they learn; it tells any staff working with the child essential information; it sets out targets; it also allows staff to track progress term by term; and records meetings with parents.

An Individual Education Plan (IEP) may be used to set SMART targets (specific, measurable, achievable, realistic and timely).

There is a four stage process that is followed for any child with SEND: Assess → Plan → Do → Review. This is referred to as the graduated response.

If progress is not observed, referrals to outside agencies can be made after two full cycles of the graduated response.

Provision plans are also used to show all the provision that the school makes which is additional to and different from that which is offered through the school's curriculum. Provision maps are used by the SENDCOs to maintain an overview of the programmes and interventions used with different groups of pupils and provide a basis for monitoring the levels of intervention.

### **Expertise and training of staff**

Karen Hague holds the National Award for Special Educational Needs Coordination (NASC).

Both Clare Weekes and Karen Hague have time allocated each week to manage SEN provision and to work with assistant SENDCos. Karen Hague meets with the SEND team three times a year for training sessions.

Recent training includes:

Karen Hague – Avoidant Restrictive Food Intake Disorder (ARFID), Intensive interactions (Speech and Language)

### **Priorities for 2023-24**

-  Consider use of aspects of SENIT Graduated Toolkit especially to support funding process
-  Develop SEND team
